

# ACCRUE HEALTHCARE GLOBAL

**100% Reusable Antibacterial  
Washable Fabric Face Masks**

# WASHABLE FABRIC FACE MASKS

**Our Washable and Reusable Anti-bacterial Fabric Face Masks are the ideal alternative to continuously having to find and purchase wasteful and environmentally unfriendly disposable paper type masks...**

**Our totally reusable Fabric Face Masks allow for the user to wash their mask for most than 20 times while retaining the protective barriers enhanced by the use of multi-textile fabric masks that not only protect but feel and are much better to wear everyday, all day..!**

# WASHABLE FABRIC FACE MASKS

**These Reusable Fabric Face Masks are lightweight and easy to breath with and are made of the highest quality multi-protective 3 layer textiles that comprise of a cotton Inner and Outer Layers that feels comfortable next to the skin, with a inner protective filter barrier of a 25g non-woven 'Meltblown' protective filter.**

**These washable face masks come either with 'tie-back' cords or Ear Loops depending our customer choice and they fit all sizes from Adults to Children.**

# WASHABLE FABRIC FACE MASKS
